The screenshot shows a web interface for password recovery. At the top left, there is a blue arrow pointing left and the word "Recovery". Below this is a grey bar with a large red number "1". The main form area contains three password input fields, each with a "toggle visibility" icon (an eye with a slash) on the right. The fields are labeled "Old Password", "New Password", and "Confirm Password". The "Confirm Password" field has a blue border. A red box highlights all three input fields. At the bottom of the form, there is a "Go Back" button on the left and a green "Save" button on the right. A red number "2" with a red arrow points to the "Save" button.

5. The next time you log into Classlink, Canvas, or a computer you will need to use your **NEW** password.
